## Labour and Information Department

Order

LC/1/ID/(5)/70/IT-10/70/935

Whereas on consideration of the report dated 15th October, 1970 received under section 12(4) of the Industrial Disputes Act, 1947 (14 of 47) from the Assistant Labour Commissioner and Conciliation Officer, Panaji, the Lieutenant Governor of Goa, Daman and Diu is of the opinion that an Industrial Dispute as detailed in the schedule hereunder exists between the workmen and the Management of M/s. Indian Hume Pipe Co. Ltd., Old Goa (Goa).

And whereas on consideration of the said report, the Lieutenant Governor is satisfied that there is a case for reference of the said industrial dispute to a Tribunal.

Now, therefore, in exercise of the powers contained in section 10(1) (d) of the Industrial Disputes Act, 1947 (14 of 47) the Lieutenant Governor refers the dispute detailed in the schedule appended hereto to the Industrial Tribunal Panaji, for adjudication.

## SCHEDULE

1. Is the All Goa General Employees' Union, Vasco-da-Gama justified in serving the Charter of Demands as per Annexure 'A' on the Management of M/s. Indian Hume Pipe Co. Ltd., Old Goa?

If not, to what relief, if any, the workmen are entitled?

2. Is the Management justified in retrenching their 3 semi-skilled workmen and 8 casual workers?

If not, to what relief, if any, those workmen are entitled?

By order and in the name of the Lieutenant Governor of Goa, Daman and Diu.

D. N. Barua, Secretary, Industries and Labour.

Panaji, 20th October, 1970.

## ANNEXURE 'A'

Copy of the Charter of Demands served on the Management of M/s. Indian Hume Pipe Co. Ltd., Old Goa, by the all Goa General Employees' Union, Vasco da Gama (Goa)

## Charter of Demands

With further reference to the correspondence on the subject, herein we place 5-point Charter of Demands for your urgent consideration. It is surprising that you have not answered our letters. In any event, we expect an early appointment in order to discuss and finalize the issues raised herein.

## 1. Confirmation of Services

There are some 40 workers in your organisation whose services are treated as permanent, but they are not yet paid wages for their weekly off days. Similarly, there are some other 38 and odd workers who are treated as temporary.

You will appreciate that every worker is interested in security for his job and as such, it is absolutely essential that the services of all those workers who have completed one year should be confirmed as permanent. Their wages should be paid on monthly basis. Your organisation is expanding and by this time you would have engaged more than 100 workers if not for the deliberate attempt made by you to delay in acceptance of new orders. In any event, please note that any unfair labour practice if resorted to by your organisation, including lay off or retrenchment will be resisted by the workers.

## 2. Pay Scales

Every organisation has some scales with fixed annual increments. Your organisation seems to be an exception to this rule. It is high time you fall in line with other organisations in Goa. A scale is a must for everybody.

At present you have classified the workers in your Organisation as semi-skilled and un-skilled. Hence, we propose the basic pay for the said two categories.

- |                 |                    |
|-----------------|--------------------|
| a) Semi-skilled | 110-6-158-7-50-233 |
| b) Un-skilled   | 95-5-135-7-205     |

## 3. Dearness Allowance

Your organisation is already paying a sum of Rs. 3/- per day as D. A. Though this amount is not sufficient in the context of present price structure in Goa, still we would suggest a small change. D. A. may be fixed on the basis of Rs. 100/- per month for all the workers.

You have to take into consideration that the prices of all the commodities are shooting up daily. Hence the quantum of D. A. should be substantial in order to compensate the worker for the fall in real wages.

## 4. Leave Facilities

As per the existing pattern in Goa, regarding leave facilities, we propose that the following leave facilities be given to your workers per year:—

- |                            |     |     |           |
|----------------------------|-----|-----|-----------|
| a) Privilege Leave         | ... | ... | one month |
| b) Casual Leave            | ... | ... | ten days  |
| c) Sick Leave (fully paid) | ... | ... | ten days  |

## 5. Medical Facilities

It is the duty of your organisation to give free medical facilities for all diseases. You will appreciate that all organisations in Goa are giving medical facilities in various forms to their workers.

We request you to consider these 5 demands very seriously. On our part, we are willing to cooperate and we hope you will extend your hand of cooperation. Making attempts to break the unity of workers will serve no purpose. Transferring workers daily from department to department will only decrease production. Threats of retrenchment and lay offs will only complicate the problem. Dignity of labour must be upheld. There is no problem without a solution.

We expect an early date for an amicable settlement.
